Personal, Emotional and Social Development Making relationships Self-confidence and self awareness Managing feelings and behaviour	Children play cooperatively, taking turns with others. Children are confident to try new activities, and say why they like some activities more than others. Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some behaviour is unacceptable.	They take account of one another's ideas about how to organise their activity. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They adjust their behaviour to different situations, and take changes of routine in their stride.	Children play cooperatively, taking turns with others. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children. They say when they do or don't need help. They work as part of a group or class, and understand and follow the rules.	Review all goals	Review all goals	Review all goals
Communication and Language Listening and attention Understanding Speaking	Children express themselves effectively, showing awareness of listeners' needs. Children listen attentively in a range of situations.	Children follow instructions involving several ideas or actions. Children answer 'how' and 'why' questions about their experiences and in response to stories or events.	Children listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions. They give their attention to what others say and respond appropriately, while engaged in another activity.	Children use past, present and future forms accurately when talking about events that have happened or are to happen in the future. They develop their own narratives and explanations by connecting ideas or events.	Review all goals	Review all goals
